SWIM-A-THON
FOR A CLEANER OCEAN

Thank you so much for participating in our first ever *swim-a-thon for a cleaner ocean!* This project is a partnership between Town of Riverview and the Fundy Biosphere to spread awareness about plastic pollution in our oceans and get active. Swimmers will collect pledges from the community and the proceeds from the pledges will go towards a beach cleanup during the Great Fundy Coastal Clean Up held August 20, 2021.
